

## Advantages of the product

- High Gain
- Small Standing Wave Ratio
- Signal Stabilization
- Environmental Protection Material

## Application of the product

- Wireless Monitoring
- WIFI
- ZIGBEE
- Bluetooth Module
- Smart Home
- Product Signal Lamp and Other Transmission Equipment

## Product Description

Product Name	Rubber antenna(2.4G)+SMA SATA Combination
Frequency Range	2400-2500mhz
Gain	3DBI/6DBI
Transfer Wire	RG1.13
Power	50W
Impedance	50ohm
Application	Wireless Monitoring WIFI ZIGBEE Bluetooth Module
Total Height	19.5cm/11cm
Polarization	Vertical Polarization
